 **Kevin Hamm** Fine, we can review the law as soon a Tim moves to the city and has legal standing.  
Remember Kristi, I have guns too. I don't find the laws and ordinances onerous, nor will changing them make Tim feel safer in any way. Why waste the time and money with this?

 **Tim Ravndal** Solid foundation for fact finding [Kristi Allen-Gailushas](#). Giving the people the venue to seek the facts behind the onerous law. Also, kevin is right whereas I cannot think of anything better to do than to spend my time defending the Constitution for everyone.
